

## Common Feeder Birds Scavenger Hunt (Europe)

To be used with the live bird feeder cameras in Europe. The streams can be found at <https://youtube.com/birdwatchinghq>

\*If possible, write when you saw the bird and what you observed it doing.\*

### Greenfinch

**Female**

**Male**

Males become dull in winter like females.

### European Robin

### Great Tit

### Blue Tit

### Eurasian Nuthatch

### Collared Dove

### Goldfinch

### Magpie

### House Sparrow

**Female**

**Grey crown**

**Male**

Male House Sparrows have a distinctive grey cap. Females are plain looking, but look for a tannish line behind the eyes.

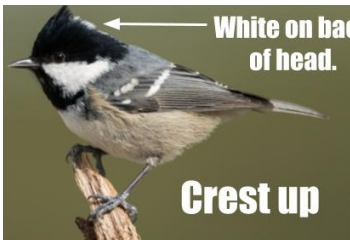

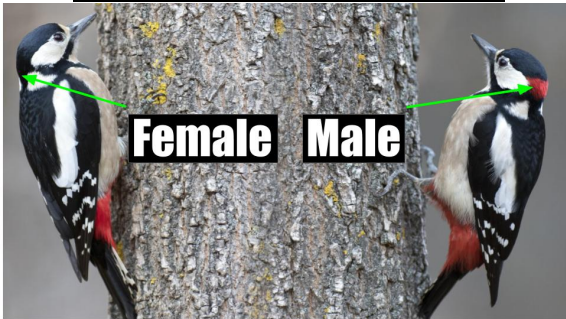

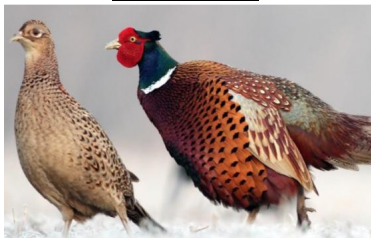

### Tree Sparrow

**Chestnut head and neck.**

Tree Sparrows have a solid chestnut head. Males and females look the same.
